We are at that time of year of celebrating graduations. Please keep in your prayers our graduates as they celebrate their commencement from various levels of academic achievement: from Preschool to Kindergarten up to Middle School.
These are important moments of transition to new things. It is a time of relishing the accomplishments, and remembering the struggles, failures and successes that formed us. It is a time to be very grateful for teachers, mentors, family, friends and peers who have journeyed with us along the way. It is a time to appreciate that we had the educational opportunities that we enjoyed. In these days we keep all our graduates in our prayers.
Congratulations to our 8th grade graduates!:
